The town of Villeneuve sur Lot and its surrounds are magnificent. The Lot, a navigable river which provides beautiful landscapes, crosses through Villeneuve sur Lot. If you like sports activities like horse riding, golf, water sports (swimming, fishing, sailing on the Lot, pedalos, canoeing...), you will enjoy yourself. If you prefer more cultural activities, the theatre awaits you. On the historical side, you can visit country houses, like the one in Monflanquin with the renowned Janouille, troubadour from that era who will take you back into the history of the country houses.
