HOTEL L'HACIENDA
Jean-Jacques Chauvin

Your Logis

Nîmes, the Rome of France, the gateway to Provence, Languedoc and the Camargue. The sunniest region of France, blue skies, the song of the cicadae, landscapes scorched by the sun...leave the A9 motorway at "Nîmes est", and after 5' take our little country lane lined with olive trees, vines and almond trees...nestled far from the noise of the city, a large Provence-style "mas" house, renowned for its elegance and refinement, the warmth of its welcome and the culinary delights served in the gastronomic restaurant... these are the charms that the Hacienda has to offer...
